

REMARKS

Claims 1-2, 21, 24-25, 31 and 34-36 are pending in this application. By this Amendment, the specification and FIG. 3 are amended for clarity at the Request of Examiner Lonsberry. These amendments should be entered under 37 C.F.R. §1.116 because the amendments are merely for clarity, do not raise any new issues and were suggested by Examiner Lonsberry during an August 6 telephone conference with applicant's representative. Entry is proper under 37 C.F.R. §1.116.

Applicant was informed during the August 6 telephone conference that the application appears in condition for allowance other than a minor objection with respect to FIG. 3. The above amendments obviate that objection and place the application in condition for allowance.

CONCLUSION

In view of the foregoing, it is respectfully submitted that the application is in condition for allowance. Favorable consideration and prompt allowance of claims 1-1-2, 21, 24-25, 31 and 34-36 are earnestly solicited. If the Examiner believes that any additional changes would place the application in better condition for allowance, the Examiner is invited to contact the undersigned attorney at the telephone number listed below.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this,
